PHONE: 415.889.3431 | **EMAIL:** seg82@pitt.edu | **PORTFOLIO:** sharonegao.com | **GITHUB:** github.com/segao

EDUCATION

University of Pittsburgh, Dietrich School of Arts and Sciences

B.S. degree in Computer Science

GPA: 2.81

Minor in Spanish

Former Pre-Med major

Expected Graduation: May 2018

COMPUTER SKILLS

Java

Javascript

HTML5

Git

C

PHP

CSS

Photoshop

Python

MySQL

Bootstrap

Microsoft Suite

RELEVANT COURSEWORK

- Intermediate Programming Using Java
- Discrete Structures for Computer Science
- Data Structures
- Introduction to Systems Software
- Computer Organization and Assembly Language
- Algorithm Implementation
- Introduction to Web Development and Design

NOTABLE PROJECTS/ EXPERIENCE

All projects as well as additional work can be found on my Github

Codecademy Ready (October 2016 – December 2016)

- 10-week online web development program covering HTML/CSS and Javascript
- Implemented knowledge gained through portfolio site and web applications

easyWeather (November 2016)

- Developed a web application that automatically displays the local weather information found with the user's location
- Tools: HTML, CSS, Javascript, Ajax

PokeDex (November 2016)

- Developed a web application for searching and displaying Pokemon
- Tools: HTML, CSS, Javascript, jQuery, Ajax

Pong (June 2016)

- Recreated the classic arcade game Pong
- Tools: Python, Pygame

Various Projects completed for CS 1501 and CS 449 (Fall 2016)

- Solved various complicated problems for my Algorithm Implementation and Systems Software courses
- Tools: Java, C

ADDITIONAL EXPERIENCE

University of Pittsburgh, Department of Pharmaceutical Sciences; Pittsburgh, PA

Research Assistant (January 2015 – November 2015)

- Assisted in the research of more effective delivery systems of chemotherapeutic agents for cancer treatment
- Helped write and proofread research findings for publication

Hisun Pharmaceutical International; Hangzhou, China

Research & Development Intern (June 2014 – August 2014)

- Assisted in the process of pharmaceutical product registration

VOLUNTEERING/ EXTRACURRICULARS

Women in Computer Science (January 2015 – present)

- Helped inspire female involvement in technology-related fields through various activities and events held with local high school students

Epsilon Sigma Alpha Service Fraternity (September 2014 – present)

- Volunteered for multiple organizations around the Pittsburgh area
